Williamsburg, Va., April 13.—Superintendents R. E. Henley, of Williamsburg, and J. E. Eastman, of York, have
called a meeting here next Saturday
morning at 11 o'clock for the organization of a boys' corn club. An organization will be perfected at Saturday's
meeting, a demonstrator secured and
work started at once. T. O. Sandy,
State collaborator, will attend Saturday's meeting.

Three Samples Required.
New York, April 13.—The New York
Cotton Exchange voted to-day to require three samples instead of two, as quire three samples instead of two, as heretofore, from sellers of cotton, to be used for grading. The board of managers recommended the change, and to-day's poll so amends the by-laws. Two other propositions recommended by the board of managers were voted down. One would have given the holder of a warehouse receipt and certificate of grade the right to withdraw the cotton represented by the receipt and certificate; the other would have added a third revision day for spot quotations during the calendar year. Many members who advocated four or more revision days worked against the three-day plan.
